

Please keep the DO NOT CALL law as it stands- this is the first time in years that I have been able to eat my dinner without interruption. I was plagued with at least 6, and up to 15 calls per day until the bill was passed and I signed up for DO NOT CALL. Please be sure to give us your home number if you vote for changing this law, we would like to refer all our telemarketers to you- perhaps a dose of reality would open your eyes. Thank you.
